A SPACE FOR ARTISTS TO SELL WORK

Every Sunday 10am – 3pm

BOOK NOW AT WHIRINAKIARTS.ORG.NZ

Whirinaki has a new pop-up art space for local artists available in our Foyer for rent each Sunday. Anything from fashion to art goes. The space comes as a blank canvas, so you can bring your own displays, clothing racks and furniture.

Whether it is pottery, jewellery, clothes, design or paintings, our Pop Up Art Shop can accommodate you. We especially love it when creative folk front their own product and our customers love it too! We welcome self-published authors promoting their books, seamstresses sewing in situ, as well as artists using the space.

The foot traffic through Whirinaki is great particularly on Sundays. Remember, this is not an exhibition but a pop-up art shop, you're here to sell your work!
