

# Little Expressions Term 4 2016

## Te Whāriki COMMUNICATION Goal 4

Children experience an environment where they discover and develop different ways to be creative and expressive.

Children develop familiarity with the properties and character of the materials and technology used in the creative and expressive arts.

We will begin each session in the Wellington Arts review exhibition. We will discuss a piece of work be inspired by it and then move to the work room to create our own interpretation.
