

PomPom Making Kit

Join The Shaun the Sheep PomPom Parade! It's fun for all ages, so let's get creative together and learn about real wool!

We want your help to create a new woolly world record for the largest collection of handmade PomPom Sheep ever!

We'll be parading the whole flock in support of the Campaign for Wool in March 2013

Top 5 PomPom Tips

1. Wrap multiple strands of wool yarn around the template together to make wrapping quicker and easier
2. Wrap lots and lots of wool around the template; this makes a fuller pompom and helps the wool stay put when you cut it in step 4 (see diagram)
3. If you have a few colours of wool yarn handy try making patterned pompom sheep!
4. Can't decide how to finish your pompom sheep? Head to our Facebook page where you can see lots of examples of how to get creative!
5. Have fun and encourage all of your friends to make their own pompom sheep!!

Drop off your Pom-pom sheep to
Expressions Arts and Entertainment Centre
836 Fergusson Drive - Upper Hutt
or post to
Expressions Pom-pom Parade
P O Box 40 594 - Upper Hutt

Be a good Shepherd and keep an eye on the flock! Check the website and facebook for updates, photos and competitions!

With special thanks to our woolly project partners:

PomPom Making Kit

Cut a pair of rings out of card and wrap them in wool

Keep wrapping the rings in wool until completely covered

Hold the wrapped rings tightly while you carefully cut between the strings of wool

Tie the legs around the middle with a piece of yarn on the front & back to make 4 legs

Take a long length of yarn and tie through the middle of the rings. Pull the rings apart carefully to release your PomPom

Select a face and decorate it to make your baaarilliant PomPom Sheep unique!

PomPom Making Kit

Stick the circles, faces and legs you'd like to use on to thick card and cut out the shapes!

box

Dear PomPom Parade,
I have sent (number) sheep to add
to the flock. I promise to be a good
shepherd and keep an eye on my sheep.
