

Thank you. Your support helps us champion Upper Hutt's access to art, culture and events, stage world-class exhibitions and events and nurture creativity for our children.

You are part of a very special community that underpins everything we do.

Your support is crucial in ensuring we can continue to present the unique role of art and artists, as well as sharing the best-loved and boldest exhibitions and shows with our community.

We believe that access to art and culture is important to everyone's wellbeing, so we want to make sure that everyone is able to enjoy the benefits.

We know that not everyone has the same access to art, and we make sure our exhibitions and many of our events are accessible.

Each year we welcome and give the benefits of art and culture to over 150,000 visitors.

Thank you for helping us provide art for all, for free.

What does your Friends Membership do?

Art for All

Your support helps us give access to art, culture and events to all. We are committed to keeping our exhibitions free and your support helps us do that.

Care for our Collection

Our Pumpkin Cottage Collection is made up of around 50 artworks which we care for. Your support helps us look after the collection and deepen our communities understanding of it with regular exhibitions.

Champion Creativity for Children

An important part of our role is to encourage everyone to develop their own creative potential – from fun activities for preschoolers to in-depth talks and tours for adults.

As a Friend you help hundreds of school children experience art in our local galleries every year... for free!
