

# PARKING CHANGES COMING

The extension of Expressions Whirinaki is about to get underway (early October). In order for the construction and associated works to take place there will be a loss of car parks in the civic precinct.

The map below indicates what the new parking layout and arrangements will be. Most importantly, all-day parking will now be limited to 2 hours (P120). Parking on Brown Street remains unchanged.

For more information on where to park in the city centre, go to [upperhuttcity.com/parking](http://upperhuttcity.com/parking)

Construction is expected to last through January 2021. Once complete, there may be further changes to the parking layout and time designations.

For more information about the extension project, go to [expressions.org.nz/about](http://expressions.org.nz/about)
